

Q&A

- Can I play the game for free?
 - Yes! Corruptasy is completely free to play.
- Is the game running on my PC?
 - Corruptasy is very resource efficient, so you can play it on almost any PC.
- I have found a bug, how can I report it?
 - If you have found a bug or have a similar concern, you can contact our programmers via the mail address example@gmail.com.
- Will there be updates?
 - Whether we will expand the story of Corruptasy with updates in the future is still up in the air. But nothing is impossible.
- Are there any in-game purchases?
 - No, but you can take a look at our shop for some amazing merchandise!
- Will there be a game version for mobile?
 - At this point there are no plans for a mobile version, but don't give up hope!
- Is the game playable offline?
 - Yes, once you have downloaded and installed Corruptasy, you can enjoy the story without any Internet access.
- How long does a run take?
 - The length of a run depends entirely on the player. Our programmers have completed the story in 40 minutes, but you can explore the world of Corruptasy for several hours!

gameplay text:

Stranded on a strange island far from reality, our protagonist has to fight against various monsters, find valuable items and save the friendly villagers from a powerful threat in order to get back home. Fight your way through the wild jungle, the long lost dungeons and the deadly corrupted zone. Your goal is the volcano, but what comes next is uncertain...

story text:

Vago Island was once a peaceful, quiet place where villagers, tikis and golems lived together. But everything changed when they freed the long-lost soul of the shadow monster Iras, who brought fear and terror to the island. Knowing that they could not defeat him, the Tikis and Golems sided with Iras, leaving the villagers to fend for themselves. Who could help them now?
